German Wrestling Federation - German wrestling league

Dear Mr Zipper,

I refer to your emails of 20 April and 3 May to United World Wrestling regarding a so called German Wrestling League and your request for UWW to recognize this league.

We have considered your request carefully however we must hereby confirm what has already been mentioned to you by email on 3 May 2016, i.e. that UWW recognizes only one federation governing the sport of Wrestling per country.

As you know, our affiliated member in Germany is the Deutscher Ringer-Bund e. V. (P.O. Box 44 01 09, D - 44390 Dortmund) and is the sole organization governing wrestling in Germany recognized by UWW.

As a consequence, UWW cannot recognize the German Wrestling League.

I thank you for your attention and remain

Yours sincerely,
